

Parent Voice

We appreciate comments and suggestions from parents – they help us to direct our priorities for school improvement. Please share your ideas in one of the following ways:

Speak to the class teacher if it is a matter of concern relating to your child or child's class

Email your comments to the school on reception@westhavenschool.org.uk

Pop into the office to speak with office staff

Our Complaints Policy can be found on the policies page of this website.

Parent View

We encourage parents to complete the online Parent View questionnaire – It is a quick 12 (Yes/No) question survey that helps the school to improve what we do.

Click [Parent View](#) to access the Ofsted Parent View questionnaire and further information.
