

## Westhaven School Curriculum Map for PSHE

### Valued – Inspired – Prepared

*Westhaven School is a unique learning environment with high expectations for learners who experience barriers to learning for a range of reasons. We promote a calm environment which enables everyone to learn. The golden thread that permeates our curriculum and our conduct through every school day are the core values which shape our learners to be:*

- *safely independent*
- *confident communicators*
- *respectful citizens*
- *resilient learners*
- *inquisitive thinkers*

*The Westhaven Way is our ethos and it underpins our daily approach to behaviour and learning. At Westhaven, English is the heart of our curriculum. We are committed to raising the standards in phonics and early reading of our learners through every curriculum subject. At Westhaven, we follow the approach to phonics teaching as outlined in the DfE validated programme UNLOCKING LETTERS AND SOUNDS.*
