Our vision

Valued - Inspired - Prepared

Our values

We shape our learners to be:

Safely independent - Respectful citizens

Inquisitive thinkers - Confident communicators - Resilient learners

Another fabulous week at Westhaven with lots of wonderful work going on across the school. We were delighted to welcome four of the school governors into school yesterday. They had a busy day, working with learners across all key stages, looking at books, and meeting with subject leaders.

You received communication from me earlier this week regarding two incidents about stranger danger. I hope you've had the opportunity to talk to your children about this; they have been reminded about how to keep themselves safe during our assemblies this morning and class teams will also follow this up next week.

Please could I remind you that the home/school planners are a vital form of communication with your child's class team. Please do use them to get messages back and forth. If you need to contact a teacher by email, please use the reception address and the admin team will pass it on reception@westhavenschool.org.uk

Have a wonderful weekend, whatever you have planned.

Jamie Peacock
Headteacher

We have some learners in our school who have nut allergies. *Anaphylaxis (allergic reaction)* can occur as a result of digestion, inhalation or any other contact with nut-based products. For their safety, please can we request that you do not send your child into school with any nut-based products for packed lunches, break time snacks or for any other occasion. This includes products that may contain traces of nuts. With very many thanks for your understanding and cooperation.
