I can't quite believe that it's now only 2 weeks until the end of term 1, it seems to have flown by so quickly.

My second day of School Improvement Partner training was really interesting. This week we delved deeply into the new Ofsted framework, how inspections will look, and how the judgements will impact all stakeholders, including you as parents and carers. You may be aware that Ofsted will use a 'scorecard' approach. Schools will mainly be graded at 'the expected standard', which for all intents and purposes is equivalent to the old 'good'. We will all just have to wait and see how these look in the new year when inspections under the new framework commence.

I have been visited by so many learners this week, showing me their amazing work. I have tried to post them all on their individual ClassDojo pages. It gives me enormous pleasure to chat to them about their work and give them Headteacher awards.

It wouldn't be a weekly newsletter without an update about 'The Haven'. The sinks were fitted on Monday, the head learners (Ruby, Liam, and Isaac) visited Wogan Coffee in Bristol yesterday to choose the blend that we'll stock, and Miss Wells shared some photos on ClassDojo yesterday. The sign should be arriving very soon, and the furniture has now been ordered!

Wishing you all a wonderful weekend, whatever you have planned.

For families of children aged 0-25 with additional needs and/or disabilities

We have some learners in our school who have nut allergies. Anaphylaxis (allergic reaction) can occur as a result of digestion, inhalation or any other contact with nut-based products. For their safety, please can we request that you do not send your child into school with any nut-based products for packed lunches, break time snacks or for any other occasion. This includes products that may contain traces of nuts. With very many thanks for your understanding and cooperation.
