

Parent consultation feedback May 2025

Parent consultation was shared via a letter, Dojo story and on our website. It was advertised over a three week consultation period.

We received 5 parental responses.

What do you feel are the strengths of our current RSE program?

5 responses

Appropriate content for our children and sensitively handled

I like the way thr program is differentiated into three levels. As this supports all learners.

Informative and at a child friendly level.

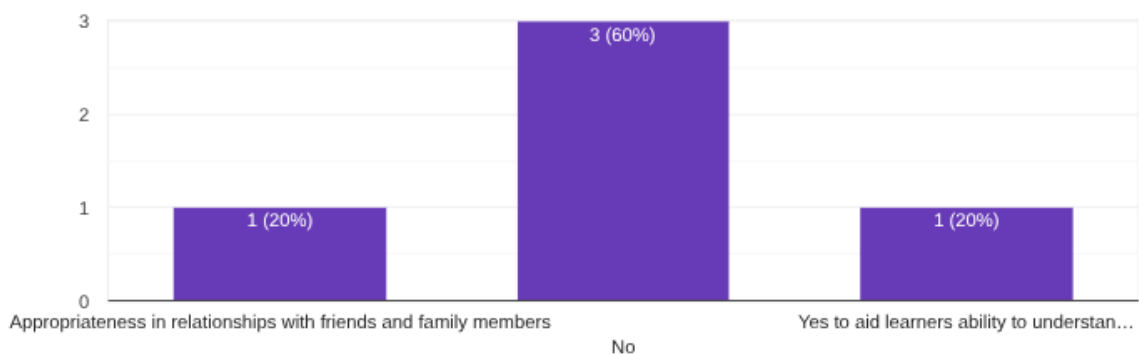

It is holistic and relevant to age

Responsibilities of personal actions regarding consent

Are there any specific areas where you feel the curriculum could be improved?

How easy is the policy to understand? Is there anything we can do to make it clearer?

5 responses

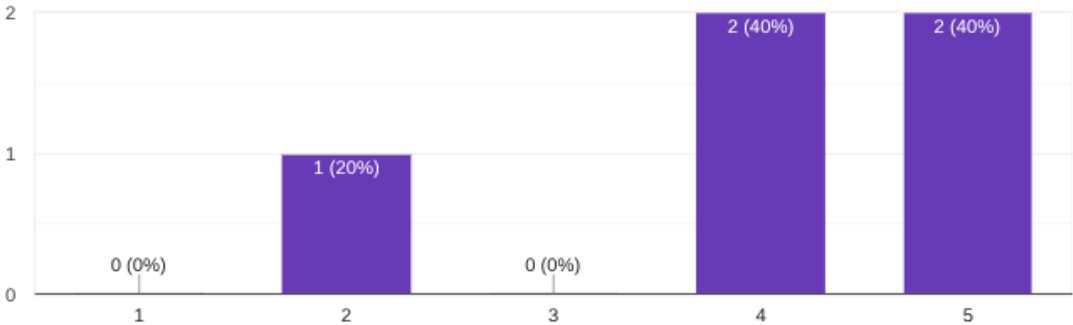

- Yes - open and appropriate
- Explain what cucle a b and c mean. I took it as differentiated learning based on abilty.
- Easy to understand
- It is easy to read.
- No

How confident do you feel that our curriculum will help your child make safe choices?

 [Copy chart](#)

1= not very confident 5=Very confident

Do you have any other comments or suggestions that you would like to share?

2 responses

Just to ensure the vocabulary and content matches the cognitive understanding of the learner. We have had some really tough conversations this year trying to explain things that have been picked up and not understood.

None
